A B C#m B
You give me rest for my soul
Quiet the storms within my world
Lead me beside still waters' flow
Open a doorway to Your throne

A B C#m B (B/G#)
where I love to find my home
A B E/C#
where I love to find my home
(E/C#) B/G# A/F# C#m
Come on and take me in, come on and take me home
E/G# A/F#
Come on and show me love like I've never known

A B C#m B
You calm the raging of the sea
Walk on water to be with me
With one word all worries cease
Harbour my heart within Your peace

A B E/C#
where I love to find my home
B/G# A/F# C#m
Come on and take me in, come on and take me home
E/G# A/F#
Come on and show me love like I've never known

E C#m
I'm coming through the storm now, Reaching for the shore line
G#m A - F#m
Standing on Your shoulders, I can see where home is
I'm coming through the storm now, Reaching for the shore line
Leaning on Your shoulder, I know where my home is

C#m B G#m A
And it's the greatest feeling I could ever hope for
I know my meaning is here within Your arms
The greatest feeling I could ever hope for
I know my meaning is found within Your arms
